

Oxbow Public Market [Link](#)

The Ferry Building’s high-ceilinged little sister has a serious concentration of Bay Area restaurants (plus shops) under one roof. Slurp oysters at Hog Island Oysters, order the famous duck tacos at C Casa, or share some sushi rolls at Eiko’s. Don’t miss Oxbow’s newest tenants, **Loveski**, a Jewish-style deli from chef Christopher Kostow that’s dishing out sourdough bagels, sandwiches, latkes, and more, and Moro, chef Mourad Lahlou’s latest restaurant highlighting Moroccan street food.
